CLASSROOM NEWSLETTER

Owls and Rabbits Class - Autumn 2

By Carla (Owls) and Steph (Rabbits)

Welcome to Our Class Newsletter!

Hello families! We have seen more of the children grow in confidence and some have been more aware of others around them and wanting to initiate play. Others have been showing lots of interest in the topic and activities, and it has been great to see anticipation of what might happen next. Read on to find out what we will be up to this half term and important dates for the coming weeks.

The adults supporting in owls and rabbits are Jo, Amy, Kate, Nicole, Gemma, Karen, Mami, Diane, and Louise

Topic

Our main topic theme this half term will be light and sound. We will get to explore different ways that we can use light and sound and find out what we like the most, deciding what we hear and what we see. We will explore fireworks, Divali and Christmas and more
We will look at printing in art, rolling in cooking, Christmas in RE and continue with our listening skills supporting phonics in music.

Maths

In Maths this half term we are looking at shape, pattern, and position, this will include understanding how puzzles work, exploring rotation so they fit, making pictures with shapes, building with blocks and making new models. We will also look at routes and give instructions to get to items in stories or in their play, supported through lots of fun action songs!

English

For English, we are focusing on instructions which will start with following simple instructions within the classroom such as putting bags away and shoes on.

We will look at 'What the ladybird heard' in owls, and rabbits will change their book through the half term starting with little red riding hood and Guess how much I love you, We will practice our listening and engagement skills and awareness of what comes next.

Owls and rabbits will practice their communication by asking for what they need, and we are enjoying learning what everyone enjoys!

Important Dates

Please make a note of the following important upcoming dates!

11/11/26 & 12/11/26 - parents evening
20/11/26 - light walk
18/12/26 - last day of school
4/1/27 - back to school

Please mark your calendars and contact us if you have any questions.

Messages

Lots of Owls and Rabbits children like to take their shoes off during the day, even if it is raining, it would be really helpful if they could bring in wellies for these days.

Please also remember to bring squash in for your child if they only drink this.

Remember to check communication books or write in yourselves with ay updates
