

Autumn 1 Newsletter

Badgers, Moles and Otters

This half term:

We will be learning through the topic belonging. Our activities will support us to understand ourselves, our feelings and how we regulate. We will be learning about our new class group and how we belong and where things belong in our new class base.

We will be sharing some sensory stories around this theme. In mathematics we will be exploring number sense activities.

At home: You can support the learning by talking about your family. Share family pictures and routines that work well with school.

Welcome!

Hello to all our new pupils and families. We have really enjoyed getting to know the pupils and sharing our lovely new classroom spaces. All of the classes have adults that are familiar as well as new to the pupils. Please come and meet the teacher and explore your child's new class at our drop in session (see details below).

Gym

We will be going to gym each week in the autumn term as part of our PE sessions.

Badgers - Fridays

Moles - Mondays

Otters - Mondays

Upcoming Events

Wednesday 23rd

September - Parent drop in session 3.30-4.15pm.

Hello!

What are we Reading?

This half term we are sharing books that develop our sense of belonging,

I am happy - Michael Rosen

Odd Dog Out - Rod Biddulph

Sidney the lonely cloud - Tim hopgood

Teacher contact

Please don't hesitate to contact your child's class teacher.
