

Autumn 2 Newsletter

Badgers, Moles and Otters

This half term:

We will be learning through the topic Celebration. Our activities will support us to explore ways in which we celebrate.
We will be learning about different celebrations from around the world.
We will be sharing some sensory stories around this theme. In mathematics we will be exploring day and night and shapes as we move towards Christmas.
At home: You can support our life skills curriculum by encouraging your child to pull up their own clothes and zips.

Tapestry

We are very excited to be launching Tapestry across all our classes. This will be a great way to stay up to date with your child's learning activities and share the great things happening at home. Please make sure you sign up and if you need any support accessing your account please ask your child's class teacher.

Gym

We will be going to gym each week in the autumn term as part of our PE sessions.
