

# Ladybird Class Newsletter

## Summer 2 2025

Dear Parents / Carers,

We hope you all had a good break and are ready for the last half term in Ladybirds. Please see important dates for times of transition sessions to the main school site. All transition will be done during the day and there will be no change to collection and drop off.

*We also have annual review dates this term - please see your letter to remind you of your time.*

### Our class staff in ladybirds this term

### Our Topic

Our topic this term is Pirates (Water). We will be having lots of fun with water activities so we may get wet. Please provide some wet play clothes that we can keep in school. We will also be looking at how water changes eg: when it freezes to become ice.

Our books this term will be 10 little pirates, and That's not my pirate. In Maths we will be working on getting more of an activity or object, looking at numbers in the local environment, and matching objects together eg: stripy socks

### Continuing learning

To support and continue your child's learning at home, here are some ideas of activities:

- Visit different local environments
- Looking at numbers when you are out in the shops
- Playing a fun game and waiting for your child to say/sign/ask you for more.
- Matching up socks when you have done the washing.
- In the bath look at toys and objects that float or sink.

### Clothes and nappies

A reminder of things we need to be kept at school:

- A spare set of clothes - labelled
- A drinks cup - which you child can recognise.
- If your child only drinks squash, please provide this.
- If your child is in nappies, please make sure there is a supply of nappies and wipes in school - we will let you know when we are running low.
- As the weather changes please ensure your child has sunscreen applied before school.
