

What if you could explore your SEND Local Offer in person, on one day?

Join us at an event near you to find out about your local special educational needs and disabilities (SEND) support.

Our Discovery Days offer a welcoming space for families to explore the wide range of local services and support available. They provide the chance to speak directly with the teams who work with children and young people with Special Educational Needs and Disabilities, helping families access timely information, early support, and meaningful connections within their community.

Families can expect

- Opportunities to meet professionals from key SEND services
- Information stands from charities, providers, and community organisations
- General support and advice for children and young people aged 0 to 25
- Signposting to early help, assessment pathways, and inclusive activities
- A welcoming, relaxed environment where families can explore at their own pace
