Dear Parents and Carers

Thank you to everyone who came along to our Christmas Fayre. We raised over £1300 for our playground fund. It was so nice to see everyone having a great time and enjoying all of the different activities.

Well done everyone—we raised £262 for Children In Need on our Spotty Friday.

There are events happening at the end of term:

Monday 16th December—Christmas Dinner and festive jumper day.

KS2 class events on Tuesday, Wednesday and Thursday from 1.30pm—check which day you can join in with.

Friday 20th December—we have our party lunch and everyone goes home at 12.45pm.

The school will be closed throughout the holiday period. The school admin office email address is checked throughout, so please use this address if you have any queries or questions. Class staff will not be responding to emails until they return on 6th January.

We are saying farewell to Sarah Clinch (Squirrel class teacher) at the end of term. We wish her all the best and thank her for all of her hard work and enthusiasm for our wonderful pupils.

Our next INSET training day is Friday 31st January 2025. School will not be open to pupils on this day.

When we return in January, there will be information available about some more parents evenings for Y2, Y4 and Y6 pupils.

I look forwards to seeing you at one of our events

Happy New Year!

Catherine Le Roux
Head teacher

Look us up on Facebook for
support and information.

ALLERGY ALERT

We are a peanut, chickpea (legumes) and walnut free school. This includes peanut butter, hoummos, Reece's peanut butter cups, Snickers and loose nuts.

Please ask if you are unsure.

During October we celebrated Harvest at Riverside! The children learned about giving and helping others. They sang and danced to 'Harvest Samba' and celebrated the donations made. Thank you to all of our families for their generous donations. This was given to Growing Places who host Waterlooville's Community Pantry.

The pantry offers store food staples to help make low-cost healthy meals for the whole family. Working in partnership with FareShare, Neighbourly and the community to fight food waste and food poverty.

If you or someone you know would like support with food and making healthy meals, visit their Facebook Page <https://www.facebook.com/growingplacescommunity/>

In Happy and Healthy Week, we looked at, touched, chopped and tried new foods. We went on walks and found out how to keep our brains and bodies happy and healthy.
